

Village Bistro Catered Events

Let us cater your next event with a custom menu to fit any of your culinary needs! Choose from one of the two event types.

Voucher Meals

Choose preselected meals to serve to your guests throughout your event. A voucher meal will be custom designed to fit the needs of your event, whether a casual lunch or a complete dinner. You will pre-purchase vouchers from us to distribute to your guests, who will then present them to our food truck to receive their meals. There is a \$750 minimum for a 2-hour event, plus a service fee.

Stationed Events

We will come to your home, office or party venue and set up a gourmet food station with your custom menu items. Village Bistro Mobile Cuisine will send a chef with service staff to create, present, and replenish your station throughout the event. We will also supply all disposable dinnerware, utensils and napkins and, of course, completely clean up!

There is a \$1,250 minimum for a 2-hour event, plus a service fee.

Additions to Catered Food Truck Events

We can also serve beverages from the food truck, both nonalcoholic and alcoholic.

Let us design a beverage menu to fit your event.
